Milwaukee Daily Sentinel.  
BY TELEGRAPH.

BY SPEED'S LINE.  
Private Despatch to the Sentinel.

Arrival of the  
PACIFIC.

Farther Advance in Breadstuffs.  
New York, May 1st.

The Pacific with advice, to the 18th has arrived.  
Flour has further advanced; western canal 33c, and Ohio and similar descriptions 40c.

Nothing has reached us from the seat of war with the exception of the capture of five Russian merchant vessels, taken in the Black Sea.

The steamer America arrived on the night of the 19th.

Private Despatches to the Sentinel.  
BY THE ARABIA.

New York May 1st.  
Lettres by Arabia announce heavy failures in Russia, caused by the war. The Russians fired into three British merchant ships; one was sunk, and two captured, but no news of the latter.

Vessels on the Flats.  
Detroit, May 1st.

The following vessels are on the St. Clair Flats: Westmoreland, Gen. Sandley, Utica, St. Mary, Erie, Parker, Sidney, Sacramento, Caroline, Concord, Mechanic, Morgan, Denmark, Roscius, Temperance, etc.

Reported for the Sentinel.  
Buffalo Markets—Cattle, Hides—Great Freshet at New York, Albany, etc.

Buffalo, May 1st.  
Owing to the detention of the upper lakes and the light report our market is quiet, and little doing—sales 500 bushels flour at 60c, 35c, and 63c for common and good choice brands, Ohio Michigan and Ludians.

Cattle—only sales we hear of 7500 bushels, corn at 62c for the best, and 60c for the rest.

Produce—General Taylor's cleared up at Dunkirk has been got off and is expected here this evening.

First arrivals from upper lakes yet are Tropelien, Milwaukee and Peconia.

Heavy freight on the Delaware, Passaic and Hackensack rivers, in consequence of the melting of snow, and heavy rains.

Summers ending the Delaware division of the New York and Erie R.R., was rendered impossible.

There is a break of 100 feet in width at Sauratown; and another between Clarksburg and Blaineville—some small bridges between Suffern and Jersey City were also carried away.

No train has left New York since Saturday's train, are now running regularly, however, and but for loss of some heavy freight at the break at Suffern. Several heavy freight trains are now running.

Temporary repairs, sufficient to allow the trains without detour have already been made.

Albany, 1st.

We obtained a Sunday Herald from a passenger on the train. The train was very severe in N.Y. In Brooklyn on Saturday, a land slide occurred by which 2 persons were killed and several injured.

Steamer Ericsson still remains in same condition, and is not expected to leave.

A destructive fire occurred on Pearl st., N.Y., on Saturday night No. 178 and 180 and occupied by several parties were destroyed. Loss \$50,000.

A fireman had his arm broken.

The residence of Nathan Wolf, of Louisville, one of the Counsel in Ward's case, was rotten on Friday night. An indignation meeting of people to express their disapprobation at the case of Mr. Wolf, was called for Saturday night.

Albany, May 1st.

The flood had been increasing here since Thursday, reaching a height this morning, seldom, if ever known in this city. Last night the whole of the lower part of the city was under water—1900 basements and cellars filled—all streets running by docks were impassable for skiffs, Broadway closed, no traffic on the Hudson River Railroad had reached here yesterday. At Troy the flood is nearly as great as here. The low of lumber is incalculable. The river has been covered all the morning. Some 30 light canal boats are on the flats near the city and half a dozen more have gone past the city. A sloop was also carried down with 2 men on board.

The lumber districts have been emptied of pine and small cottages. A grocery store, in the lumber district, occupied by D. E. Williams, was carried off bodily. Not one boat was cleared for the Canal, the C. W. Bentley.

The Weight Lock is flooded to such an extent that it is impossible to weigh boats. The water is now receding slowly.

Railroad communication is entirely interrupted by the flood.

JUDICIAL ELECTION—SEVENTH CIRCUIT.—The returns from this election come in slowly. We have obtained the returns from Waukesha county, as follows:

Reuben G. 491  
Hatchett 553  
Waukesha 179

Adams and Madison counties are yet to be heard from.—Madison Democrat.

St. Louis.—The Memphis had first tip-off a week on account of the death of Wm. H. Adams. The Memphis had first tip-off a week on account of the death of Wm. H. Adams.
